

College of Business Prerequisites for Business Support and Business Core Courses

PLEASE NOTE: All courses **MUST** be direct articulations in order to meet prerequisites. If a course does not directly articulate, the student **MUST** go through the [CB Course Substitution Process](#) and **NO** overrides will be given unless the sub request is approved. For any questions with this process, please visit with a College of Business Advisor in BUS 222.

*****Due to the College of Business Admissions Policy, all College of Business majors may only receive permission for College of Business courses from a College of Business Advisor*****
